Welcome back to Wednesday Morning Coffee in Independence Township! We will be offering coffee and a few breakfast items the 3rd Wednesday of the month starting October through March (excluding December for the holidays).

This has went over well the last few years and we hope that new residents or residents that have lived her their entire lives will come out and meet their neighbors and perhaps a township official or two over a fresh cup of java, offer suggestions to make our Township a better place to live, and connect with other residents.

We will hold this at the Independence Township Community Center and will have informational items regarding your township available to read, discuss and offer suggestions.
