

# PLEASE DONATE

## INDEPENDENCE TOWNSHIP STATION 80 FIRE & RESCUE

**ALL CONTRIBUTIONS MAKE A DIFFERENCE!!  
PLEASE DONATE WHAT YOU CAN TODAY!!  
YOUR DONATIONS ARE TAX DEDUCTIBLE!!**

The Independence Township Volunteer Fire Department is 100% Volunteer and we are on call 24 hours a day, 365 days per year and ready to aid the members of our community. We volunteer our time and skills to keep you safe!

Your Volunteer Firefighters answered 320 calls in 2018. 207 fire and 113 EMS calls.

We have had several fundraisers and more coming this winter, and we ask for your support. We have more members than we have since the 70's but more members don't mean more money so we need township residents' help.

Training is more important than ever in today's world yet is very expensive to pay for. We need help for that and to keep equipment operational and to outfit our firefighters in National Fire Protection Association (NFPA) compliance. Today's fire department is not the one that our grandfather's founded. Even as a volunteer fire department, we now have to have specific trainings for what we do and have to ensure all our equipment is up to date and within compliance at all times.

We are proud to serve our community but need your help to do so.
