Paul Frey  
Sherrie Domitrovich  
Roy Mann  
Don Sawyer

Planning Commission meets 4<sup>th</sup> Wednesday of the month  
at 6:30 p.m.

Any subdivision which includes moving a lot line must be done through the Township Office. A complete application packet must be filed for the Planning Commission's review.

- Plans must be created by a registered surveyor
- Any lot created must be in accordance with the current Subdivision Ordinance
- If lots are being created, Perc tests and PMC (planning module components) will be needed for each lot and/or a non-building waiver
- Plans must go through our Planning commission, engineer and the County Planning Commission then after all reviews, it will go before our BOS for approval
- Process could easily take three (3) months
